Welcome to Hotel Carrington

Hotel Carrington is the newest edition in The Valley, taking residence inside the heritage building (corner Wickham St and Gipps St) as well as the two neighbouring tenancies at 143 Wickham Street.

Boasting two new secret garden areas, joined by a cool exposed brick alleyway, Hotel Carrington displays old world charm with a modern make-over.

The iconic building was designed by famous Brisbane architect Robin Dodds and built in 1906. Hotel Carrington's interiors are a nod to their past with raw exposed brick, pressed metal ceilings and polished concrete throughout the venue coupled with modern finishes of greenery and eye catching art.

Hotel Carrington specialises in 'feel good' food. Our functions menu has plenty to choose from including a selection of fabulous platters, and popular set menu. Your guests will be in gastronomic heaven.

Our venue is perfectly suited for private functions and special events from birthday parties and engagements to work functions and corporate celebrations. Guests will enjoy our popular menus and wide selection of tap and craft beers, hand selected wines plus exceptional cocktails.
